

Triangle Disability & Autism Services'

Welcome to Triangle Disability & Autism Services! Thank you for giving TDAS the opportunity to show you how you can make a difference in the lives of children and adults with disabilities and autism here in the Triangle. Last September, Casino Royale raised over \$50,000 in sponsorships and donations. This year, we want to double that number. With your sponsorship, I am sure we can.

2026 is off to a great start. Just 2 years ago, we opened the doors to the Building Abilities Center on the Cisco RTP campus. The center is home to the Building Abilities Day Program, our summer camp, staff offices, and has already hosted a wide variety of community events like First Friday Fun Night and our Annual Community Champion Awards. Next up is a plan is to launch the Learning Lab in the Center. Here young adults with IDD and autism can explore curricula to enhance their skills at both work and home. TDAS is expanding our mental health services to other parts of the Triangle. We are also looking to increase our ability to serve families with important needs such as respite for parents.

***Join us in 2026 and with you as a sponsor  
we will meet our goal  
to support more people with disabilities & autism.***

In its 7th year, Casino Royale will be a high-energy, interactive evening with all the excitement of Las Vegas because you are “betting on a good cause”! Save the Date for Saturday, September 26th, 2026. Join us at our Building Abilities Center in Morrisville, to enjoy authentic casino games with great prizes. Don't forget about food & drinks, music & dancing, an exclusive Diamonds Direct raffle, and our signature auction with everything from VIP sports packages to a getaway vacation at the beach.

We know that you care about your community, and would love for you to sponsor this exciting event. With your generous donation, you will get a front row seat to all Triangle Disability & Autism Services does for the disability community. In celebration of our partnership and all we aim to accomplish this year, choose the sponsorship that best fits your needs and enjoy the benefits that come with it. We will be in touch soon to follow up and answer any questions you may have. Feel free to call me at 919-942-5119 x117 or email me at [jpfaltzgraff@triangledisability.org](mailto:jpfaltzgraff@triangledisability.org).

***Thank you for your financial support  
of the disability community.***

Sincerely,

Jennifer Pfaltzgraff, Executive Director
